

Press release

AMOS appoints Acting Chief Executive Officer

Singapore, 4 September 2023 – AMOS Group Limited (藝林控股有限公司) (“AMOS”) today announces the promotion of Mr. Ronald Broer (“Mr. Broer”) as Acting Chief Executive Officer of AMOS from his current position as Senior Vice President Marine. Mr. Broer will be based in Singapore and report to the Executive Chairman of AMOS. AMOS supplies products, services and solutions to marine and energy customers across Asia, the Middle East, and Europe.

Mr. Broer has 30 years experience in the marine and offshore industries in both Asia and Europe, and more recently has worked in Singapore the past ten years. Mr. Broer is currently employed by AMOS as Senior Vice President of the marine industry services. His prior experience includes senior executive roles with Survitec Group and Wilhelmsen Ship Service.

Mr. Kyle Shaw, the Executive Chairman of AMOS, commented, “We are pleased to announce the promotion of Mr. Broer to Acting Chief Executive Officer of AMOS. He joined AMOS as Senior Vice President of Marine in 2022 and is now well familiar with the AMOS staff, customers, and suppliers. With over 30 years of experience in the marine and offshore industries, Mr. Broer has demonstrated excellent leadership within AMOS this year and is now well positioned to lead AMOS into the future.

Mr. Broer commented, “I am proud to be leading AMOS and its over 350-staff across ten offices. The marine and energy industries are facing both opportunities and challenges in today’s marketplace and now is a critical time for bold and forward-thinking management. I look forward to driving AMOS forward.

Ends

This press release is to be read in conjunction with the Company's announcement posted on the SGX website on 4 September 2023.

About AMOS Group Limited

AMOS was founded in 1974 and is experienced in the marine and offshore energy industries. Headquartered at its Singapore fulfillment center, the AMOS international network of facilities strategically links ten locations covering the world's most vibrant energy production zones in Asia, the Middle East, and Europe as well as four of the world's busiest ports in Singapore, Shanghai, Hong Kong, and Busan.

AMOS offers a broad and comprehensive range of world-class technical supplies, services, and provisioning solutions to customers in the marine and energy industries through its modern procurement, logistics and supply chain infrastructure. AMOS also offers load testing, spooling, and rental services and holds a wide inventory of premium quality, technical products such as heavy lift slings, wire ropes, crane wires, and mooring equipment. In addition to representing and supporting industry leading brands through exclusive supplier arrangements, AMOS also market its own ALCONA brand of professional grade equipment including personal protective equipment and an expanding range of technical supplies and daily consumables developed for the marine, energy, and factory workplaces.
